**Re: Poultry of Chilean Origin.**

Dear Sir/Madam,

This serves to advise that Poultry of Chilean origin (from Chile) is not permitted entry into Trinidad and Tobago, either directly from Chile or indirectly through the United States of America or any other country. At this point in time, Chile has not been approved to export Poultry to Trinidad and Tobago.

***If found in supermarkets or warehouses, these products shall be seized and destroyed by the officers of the Animal Health Sub – Division of the Ministry of Agriculture, Land and Fisheries.***

Please be guided accordingly.

Kindest Regards,
